SUBJECT: FOLLOW-ON COMPLIANCE RESPONSE - OIG INSPECTION CARACAS,
VENEZUELA; REPORT NO. ISP-S-07-28A

REF: STATE 30638; 09 CARACAS 1411

1.(SBU) Per REFTEL one of the 11 recommendations issued in the subject report is listed below with an updated summary of the compliance responses.

2.(SBU) Recommendation 1. Embassy Caracas, in coordination with the Bureau of Overseas Buildings Operations, should replace the damaged forced-entry, ballistic resistant windows in Embassy Caracas's service entrance compound access control facility as required by Department regulations. (Action: Embassy Caracas, in coordination with OBO.)

3.(SBU) Response: In January 2009 an initial OBO survey was completed and again in August 2009. In September 2009 OBO awarded the contract to CTSB and post is awaiting the design team's installation plan and 2010 timeline for scheduling Caracas for an OBO FE/BR team visit to install the new windows and doors that will provide 15-minute forced-entry, ballistic resistant protection in the service entrance compound access control facility as well as numerous other door and window locations throughout the Chancery compound. Post is waiting on delivery of the shipment of all the fabricated doors and windows to schedule the visit of the installation team. This items is still pending.

4.(U) POC for this matter is RSO Wendy Bashnan, IVG: 643-8403, or by email: BashanWA@state.gov.
